A Christmas Message from Father Lameck

Dear Beloved Parish Family,

"For to us a child is born, to us a son is given." — Isaiah 9:6

As we celebrate Christmas 2026, we return to the timeless and wonderful words of the prophet Isaiah: **"For to us a child is born, to us a son is given."** These words proclaim the heart of the Christmas message: God has come among us, bringing light into our darkness, hope into our despair, and love into a world that longs for peace. In the humble stable at Bethlehem, a child was born who would change the world forever. Jesus Christ, the Son of God, entered our human story not in a palace of earthly power, but in simplicity and humility. In Him, we discover that God's love is not distant or unreachable. God draws near to us, shares in our humanity, and offers us the gift of salvation.

The Christmas story speaks powerfully to our world today. Many people carry burdens that others cannot see. Some families are struggling with financial pressures; others are facing illness, bereavement, loneliness or uncertainty about the future. Across our communities and throughout the world, there are people longing for peace, justice and security. Yet the birth of Jesus reminds us that **darkness does not have the final word, fear need not overcome faith, and despair can give way to hope.** The child born in Bethlehem is Emmanuel, God with us. He is with us in our joys and sorrows, in our celebrations and struggles, and in every uncertain step we take.

His presence assures us that we are never forgotten by God and that His love remains steadfast through every season of life. As a parish family, Christmas also calls us to look beyond ourselves. The Christ Child invites us to become bearers of His love in our homes, our church and our wider community. Let us reach out to those who are lonely, comfort those who mourn, encourage those who are discouraged, welcome those who feel excluded, and serve those in need. May our words and actions reflect the compassion of our Saviour whose birth we celebrate at Christmas.

I give thanks to God for our parish community, for all who worship, pray, volunteer and serve, and for everyone who contributes to the life and witness of our church. May we continue to grow together in faith, deepen our fellowship, and share the good news of Christ with renewed courage and joy. As we approach the New Year, let us place our hopes and concerns into God's loving hands. We do not know everything that 2027 will bring, but we know the One who walks with us.

May the light of Christ guide our decisions, strengthen our faith, and inspire us to be a community of welcome, kindness and reconciliation.

Wishing you all a joyful and peaceful Christmas.

The Revd Aled Seago is leading a session on Tuesday 15th December for the final Encounter Day of the year. The day, entitled 'Christmas & Epiphany', will provide space to pause, breathe deeply and rediscover the wonder of God's story in this sacred season. Together you will reflect on the mystery of the Incarnation that is Christ, fully God and fully human, choosing to dwell among us.

This is a lovely opportunity to celebrate the marvellous truth of Emmanuel: God with us, in quiet reflection, prayer and worship. You can make your booking on Evenbrite or call on **01928733777**

JANE'S JOTTINGS

In May 1980 I left my job to have my first baby. I chose to be a full time mother so it was probably nearly 10 years later when I thought about returning.

When I left the world of admin and paper, before Secretaries became Personal Assistants, I had an electric typewriter, I typed documents using carbon paper if I needed copies. Mistakes were erased with a special rubber. (Try that with five carbon copies!) It wasn't so bad if the error was near the beginning of a document, that could be dealt with speedily. Getting to the end of a long report or letter to discover an error could be very frustrating because there was no room for manoeuvre. Shorthand Typists of a certain age will know what I mean. It may surprise you to learn that under this cool exterior (I wish) there was a time when I had almost zero tolerance and somewhat exuberant. Occasionally frustrated by the wasted time and effort I would rip an offending document from the typewriter and throw it across the room to the sound of a very loud expletive. My office colleagues were never surprised! The Managing Director was though when he was creeping around one day and was attacked by a missile of A4 paper (or quarto as it was then called) and several sheets of carbon paper. My bacon was saved thanks to my phone ringing and his Secretary (Personal Assistant) finding him after a 30 minute search! To my great relief she carted him off to make numerous phone calls!

Another enemy of clerical workers (the administrative kind not the Clergy kind)) was the Roneo machine which could print large quantities of the same document. Text was typed on to a stencil the back of which had to be peeled off very carefully when it was placed on the roller so it didn't tear. This monstrous machine was operated by a manual handle so if 100 copies were required the handle had to be turned 100 times! Photo copies also had a black backing which had to be peeled off!

It must have been around 1987 when I was having coffee with a friend I used to work with before I left the corporate world to have my children. We must have been talking about me returning to work when she said 'you wouldn't recognise an office if you went in one now!' To be honest I was rather offended but she was absolutely right!!

I had the wit to realise things had changed and I signed up for a word processing course as soon as my son started school. It helped a bit but I felt like I had been on a desert island for thirty years things had changed so much. Over forty years later I still don't get on with Technology. Nothing goes smoothly for me, simple things go pear shaped, the mouse won't work or the screen freezes and I am forever losing stuff. For instance when I was halfway through writing this article on my Laptop the text just disappeared and I spent a couple of hours trying to find it, The mouse wouldn't click on to anything and the screen sort of froze. After giving the Laptop a couple of slaps and issuing several ultimatums, I changed the batteries in the mouse and clicked on something about activation and the service was resumed. By some miracle the article was there unscathed! I'm still not talking to it though!

I am so impressed with people who are IT literate; I know it's marvellous and we couldn't do without it but if you don't mind I'll just go and fetch my slate and chalk!!!

Wishing you all a Merry Christmas and a Happy, Healthy and Peaceful New Year.

TATTENHALL and DISTRICT PARISH COUNCIL

Parish Clerk: Ann Wright, 62 Well Street, Malpas, SY14 8QH
Telephone: 01948 861035 Email: clerk@tattenhallpc.co.uk

WooHoo!

In 2021, newly recruited Parish Councillor Kerr proposed a plan to survey the number of stiles on footpaths within the parish, and to over time replace these with Kissing Gates using expiring money from previous housing developments. It turned out that there were more than 70 stiles, but in just 5 years, with help from the Ice Cream Farm and funding from Ward Councillor Mike Jones and a grant from the Kings Coronation Fund these have all been replaced with kissing gates to enable the less agile to enjoy the network of public footpaths.

Tattenhall is (almost) Stile Free!

Actually, there is just one stile remaining which we've been unable to replace but hope to be able to do this.
A final request is that if you're out enjoying the public footpaths, you keep any dogs under control, still pick up after them even though it's a field and if you have some secateurs, try and keep the gates free from brambles and nettles. Anything that needs larger tools should be reported, preferably with the OS Grid Reference or W3W location to: paul.kerr@tattenhallpc.co.uk

Parish Councillors and the Clerk wish everyone in Tattenhall a very Merry Christmas and a Happy and Peaceful New Year.

TATTENHALL OVER FIFTIES (TOFS)
Chairman: Noel Atkinson 01829770808

The October meeting saw the return of magician Peter Turner who baffled and entertained with a selection of illusions and magic tricks, and the November meeting was a fun afternoon of Christmas Bingo. Many thanks to Doreen who organised the prizes and to the people who donated them.
At the Remembrance Service on Sunday 8th November Catherine Bosley laid a wreath on behalf of the club.
The final coach trip of the year was to Bents Garden Centre at Warrington. It was a great opportunity for some Christmas shopping and the coach was certainly more laden coming home than it was going!
The club Christmas meal will take place on Thursday 3rd December 12.45 for 1pm. The lunch will again be provided by Alison's Kitchen and entertainment will be singer Andy Snowdon.

After the Christmas break our first meeting of 2027 will take place on Thursday 7th January and will be a quiz. The programme for the rest of the year and the coach trips are already being planned.
As the festive season approaches Tattenhall Over Fifties (TOF's) would like to say a huge thank you to every person and organisation that has supported us over the last 12 months. ***We would also like to wish you all a very Merry Christmas and a happy, healthy and prosperous 2027.***

TOF's meetings take place on the first Thursday of every month in the main hall of the Barbour Institute between 2 and 4 pm and new members are always welcome.

Last Will and Testament

Have you written yours?
Have you considered writing one but haven't got round to it yet?
Have you considered leaving something to St Alban 's Church?

ST ALBAN'S CHURCH welcomes all gifts left in Wills – large or small. Our policy is to use the gift wisely and it would almost certainly go towards maintaining the fabric of the church building thus ensuring it will remain in a stable and safe condition for generations to come.

YOUR WILL is of course a very private matter and you do not need to disclose anything about what you leave or to whom. There are plenty of Solicitors who can guide and help you write it.

If you would like a general no obligation chat with us before deciding or would like information about what will happen to your gift should you leave one, please contact the Rector (Lameck Mutute 770345).

The world is always evolving...

... so, we're here to help you and your money, evolve with it.
