FROM THE RECTOR

Celebrating 20 years of Ministry

“With God everything is possible” (Mathew 19:26)

Sunday 28th August 2016 will forever be a Sunday to remember as I saw a multitude of people filling our beautiful church of St Alban's. This was a service to celebrate my **twenty years of ordained ministry** which started with my first three years of seminary life in 1994. We had visitors from all over England who came to witness not only my 20 years of ordained ministry but also the celebration of our new community room (The Vault). It was a day that will go down in memory lane for centuries to come. We were also able to witness angelic singing from Zimbabwe National Anglican Fellowship.

My ministry started in 1994 when I was still working as a policeman in Zimbabwe. I can still remember quite well the morning I felt the spirit of making this important decision of my life. Despite my busy schedule with the police force, I had time to serve God in my parish as a Lay Leader but somehow, this was not enough as I saw many of our parishioners going without a priest for two months. At the same time, the police had no chaplaincy ministry which even made it worse when we needed such spiritual services. I just felt that God was calling me to serve these two ministries and thus applied to the Anglican Bishop with a view of being considered for ordination training. In 1993, I went for the selection conference and was accepted for ministerial training from 1994-1996 at the seminary, "Bishop Gaul College" in Zimbabwe. After my training, I was sent back to the Zimbabwe Republic Police where I was appointed Deputy Chaplain General for the police force. I was to be part of this organisation for the next seven years during which I managed to establish the chaplaincy section and recruited ministers from all denomination so as to have a fair representation of all faith denominations in the police force. This was to be the beginning of the first Police Chaplaincy in our country which I served with a sincere and contrite heart. In 2001 and during the height of political tensions in our country, I tendered my resignation to the Commissioner of Police and left the police for full time ministry in the Anglican Church. I can remember the commissioner asking me if I was going for greener pastures somewhere in the country and my response was a surprise shock to him when I said; **"No, Sir, am actually going for hay"**. In February 2001, I was appointed Dean of the Anglican Cathedral for a year before moving to the biggest Anglican parish in our country; Highfield Parish. In the course of time, I was elected Canon of the Cathedral and later Archdeacon of Harare. I also sat in various

committees such as Standing Committee, Senate, Liturgy and Worship and Evangelism. Having been the chairman of the Seminarians for over two years during my training period, I developed a passion for looking after our Seminarians at the Theological College and thus the bishop finally appointed me to be the Chairman of the fundraising committee. I enjoyed my ministerial work and executed my vocational duties with passion. In 2003, I left Zimbabwe for the United Kingdom and finally settled here in Tattenhall in December 2004. My life and ministry in this country has been my source of inspiration and encouragement. As more and more people come to faith in the parishes that I look after, I am encouraged to do more for Christ. I do have a passion for this ministry and give all the glory to the one who called me. God has also given me a team of hard and dedicated Christians who will leave no stone unturned in order to achieve our goal and together we are a team of faithful servants. For the past ten years, we have worked so hard changing the face of the church and transforming lives for Christ. The last five years has also seen the construction of a new community room in Tattenhall (The Vault) which is used by both members of the church and community. This has always been my dream to leave a legacy for those to come after us. As I celebrate my 20 years of ministry this year, I give praise and honour to the Almighty who has walked with me all these years and seen me through all the hurdles of life. I am also very grateful that the Church of England has realised my gifts and appointed me in a number of committees.

All these responsibilities are an honour and a blessing from God who makes all this possible through His grace. It is only through His grace that I am able to do all His work at that level and also being in charge of three parishes under my wing; Tattenhall, Burwardsley and All Saints Handley. All I have to do is call upon His name because He is my Ebenezer, 24/7. God has been my pillar and strength. As I celebrate these wonderful years of ministry, I am reminded by the words of St Paul; "I planted the seed, Apollos watered it, but God has been making it grow. (1Corinthians 3:6). Although I have worked hard doing all what a human eye can see, it is God who makes it possible. Many thanks to my family, church family and friends who have stood by me all these years.

May God bless you all.

TATTENHALL PARK PRIMARY SCHOOL

Headteacher: Mrs Jo Hawkins
01244 981260

I would like to use this edition of the Parish News as an opportunity to introduce myself as the new head at Tattenhall Park Primary School. Prior to commencing in my new role, I have been teaching for 27 years (initially in Birmingham before moving to Cheshire); in 5 schools and have been head in two different settings.

Since moving to Cheshire, I have always worked in village settings and value the role the school plays as part of a small close-knit community.

I look forward to meeting many of you in the coming weeks and months. It has been lovely to greeting all the children as they started at school after the summer break. We are also delighted to have Miss Griffiths join our school team as Year 6 teacher for this term; and also extended a very warm welcome to all our new starters across school including those starting in nursery and reception. We know that this is a new beginning for so many but feel sure that everyone will quickly feel at home in such a friendly, child-centred environment.

Our first week seems to have just flown by with everybody (not least myself) getting used to school systems, new class teachers and making new friends.

Our topics this term are:

Nursery class	All About Me
Reception class	Ourselves
Year One	Toys in Space
Year Two	Fire
Year Three	Endangered!
Years Four	The Past On Our Doorstep (local history focus)
Year Five	Ancient Greeks
Year Six	The Romans

If you would like to be involved in any way with one of these topics - maybe you have an interesting artefact dating back to Roman times or an interest local history to share for example -please do not hesitate to get in touch.

There will be some refreshments during our sessions and we need you and your friends. Please contact the Rector for more information on 01829 770245, Churchwardens Dee and Georgina or Ministry team member Andy Morris on 770323.

This is a special, 2-centre event, new to Tattenhall which combines stunning Indian artistry with a delicious supper. Dear Residents

A ladies black bike with a black metal basket attached at the front was 'borrowed' from the alley at the side of Spar in Tattenhall at 11.36 pm on Thursday 25th August. The 'borrower' may just have taken it to get home quickly but he owner would be grateful for it to be left at a location to be retrieved and no questions asked. It is needed for the owner's work transport and its loss has caused great inconvenience. Notify the owner of its location in **total confidence** through either HomeWatch 01829 771641 or through Crime Stoppers 0800 555 111. The farmer at Willow Hill Farm in Burwardsley has reported that several gates have recently been opened in the area of Cawley Lodge Farm. These are not on public footpaths, and it has resulted in cattle escaping. Unattended cattle out on rural roads can end up in road collisions, in a worse case scenario possibly incurring fatalities. If you see anyone acting suspiciously or in fields where there are no footpaths please contact the Police who have been informed of this problem. The number to ring for the police is **101**.

There have again been sightings of a drone over and near houses in the Burwardsley Road area close to Tattenhall. It has now rather worryingly on a number of occasions been reported to be operating at night. The owner is requested to only fly these aircraft in open spaces with the land owner's permission, and away from built up areas and live stock.

The next Tattenhall Police Surgeries will be held on the following dates:

Alison's Café @ 12.15-1.15 pm on 5th October.

The Library @ 12-1 pm 6th October.

The Police always welcome your call on 101 let them make the decision to attend

or not, If you aren't sure you can always call HomeWatch 771641 for advice or anonymously **CRIMESTOPPERS on 0800 555 111**. More resources means Police back in our areas and better response times. So make that call on 101 when you feel something is suspicious.

Rural officer contact details.

PC Gerard Gigg

Please call 101, or anonymously ring **CRIMESTOPPERS on 0800 555 111**. If you wish to e-mail Ged his address is

FREE UV marker pens are available on request at the **'Drop In' at the Barbour Institute**, one for each person attending. This is held every Tuesday 10am – 12noon, all are welcome so come along for a chat & sort out the worlds problems with endless cuppas & biscuits for £1 per person, along with security advice thrown in for free (Community Safety Wardens on the first Tuesday of the Month) Also now with the occasional set up of the recently acquired indoor short mat bowls for those who like some mild exercise with their cuppa.

With your free **FREE UV marker pens** all that is required is that you mark your valued items with your house Name or number & Postcode. Sometimes items are stolen and discarded that are of no value to the thief but of great sentimental value to you. Think about it, what have you got to lose.

If you would like to be included in our e-mail HomeWatch updates contact list, send your details to graham@gmarsden.co.uk together with your address & phone number in case of e-mails bouncing back. Graham Marsden 771641

TATTENHALL and DISTRICT PARISH COUNCIL

tattenhallpc.co.uk

Parish Clerk: Jean Dutton, Hill Farm, Burwardsley, Tattenhall
01829 770379; email Dutton@tdpc.wanadoo.co.uk
Chairman: Neil Matthews, Poplar Hall Farm, Newton Lane, Gatesheath

The Chairman welcomed everyone to the September meeting, and then after the usual formalities, went into open forum, when anyone in the audience can ask a question of the Parish Council about a matter of concern.

One of the topics raised by a couple in the audience was that of overgrown hedges, notably on Tattenhall Road just beyond the Keys Brook, and at the end of Park Avenue.

Matthew Morris gave an update on the post office building, and said that we would see some work on the building starting soon.

Andrew Hull from TwiG reported that a working group had removed all the ragwort and brambles from the Glebe Meadow and Barnfield sites. He also mentioned that there had been some fly tipping on the Glebe Meadow, about which CWAaC had been informed.

It was also reported that **Brian Jarrard** had won the Parish Council's Horticultural cup for all his work at the Recreation Club in maintaining the cricket square and outfield.

John Seiler from CWaC came to present plans for the new play area and everyone thought the proposed new facility looked great. Some financial support from local businesses had been obtained as well as a grant from MBNA.

The group was in the process of putting together a WREN bid and this, together with S106 funding should cover the cost.

The Parish Council is still looking for an Internal Auditor. If anyone is suitably qualified, and would like to help, please get in touch with the clerk.

As always, there were a few planning applications which were discussed, and the appropriate comments will be submitted to CWaC.

The community safety group reported that they have had a positive response from CWaC with regard to a change in speed limits to the surrounding areas, a consultation will be prepared to move this forward.

The future of the Graveyard and its potential extension was briefly discussed, but as it is such a big issue, it was decided to consider in greater detail at a separate meeting.

The Chairman thanked all for attending, and brought the meeting to a close.

The date for the October meeting is 3rd October 2016 at 7.30pm in the Barbour Institute.

'Nostalgic Burwardsley' 8-9 October 2016

Following the tremendous success of our 'Nostalgic Burwardsley Photographic Exhibition' held in March, a second Exhibition is to be held during the weekend of 8-9 October 2016.

The proceeds of this fund raising event will support the installation of a Roll of Honour within the Church of St John the Divine, remembering the Burwardsley men who died in The Great War and WWII. With a host of new material, this is a 'not be missed' weekend event.

Venue - The Successfactory, Harthill Road, Burwardsley - a terrific venue with excellent parking facilities (*our thanks to Graham Wilson*).

Dates - Saturday 8th and Sunday 9th October 2016.

Times - 10.00am - 4.00pm daily.

Admission - Adults £5 and Children £2.50 (to include a slice of delicious homemade cake and a cup of tea/coffee).

So, a date for your diaries - more details will be posted on Tattenhall Online www.tattenhall.org
