Mothering Sunday

at St Alban's

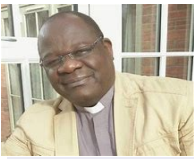

19th March at 10:30am

A posy of flowers will be presented
to all Mums attending the service

Mothers' Day or Mothering Sunday - How did it start?

About 400 years ago the Christian Church decided that, on the 4th Sunday in Lent, families should visit the largest church or cathedral near to where they live. This was called the Mother Church - and so the day became known as Mothering Sunday.

From Father Lameck

Colossians 3:1-2

One year is gone and 2023 is here. As we stand here at the beginning of a New Year, it is a good time to reflect on the year that is ending and look forward to the year that is soon to begin.

It is also a good time for God's people to take inventory of their walk with the Lord. We should take a very close look at where we are in our relationship with Him. We need to examine ourselves and see where we have been, where we are, and where the Lord wants us to be. This passage gives us the opportunity and the challenge to do just that.

This past year has been difficult as we all tried to come back to what we thought was our normal life after the pandemic.

I am sure you will agree with me that life has never been the same. Most of us struggled to catch up with reality. Some people continued to feel isolated as the fear of the virus has not yet disappeared completely. Some businesses have been closed whilst some new ways of purchasing items have been developed. This is not what we thought the new normal would bring, but here we go. The truth of the matter is a lot of the things we did or relied upon in the past will never come back again. We are in a new world order.

It is a new life which we must accept just like we did when we came to Christ. We had to abandon our old habits and start a new life with Him." Therefore, if anyone is in Christ, the new creation has come:

The old has gone, the new is here!" (2 Corinthians 5:17)

As I read these verses, I find that they challenge us to do exactly the same thing. As we look at our lives in the light of these verses we are challenged to retain some things, to release others, and remember the rest. Since we have been raised to a new life in Jesus, we are told to seek those things which are above. In other words, we are told to continually be seeking those things which are above. The second verse builds on that thought by telling us to set our affections on things above not on things on the earth. The word "affections" refers to the mind. We are told here to focus our thoughts on heavenly things, not earthly things. We are to set our minds on the things of God and on the things that bring glory to Him. In our spiritual lives, the same thing is true.

Some things have to be let go. There are some things that try to attach themselves to our lives that are just plain trash. Those things need to be kicked to the curb. Other things simply don't have a place in our lives and those things need to be let go.

May I on behalf of the Churchwardens and all members of our Parochial Church Council wish you all a Happy New Year.

ADVENT APPEAL 2022

An enormous thank you to everyone who donated gifts and shopping vouchers to this year's annual Advent Appeal for Save The Family. The local charity, which supports families at risk of homelessness, was thrilled when we turned up, accompanied by one of their trustees, with a large number of donations.

Freya Hinton, Fundraising coordinator at Save The Family said, "***At Save The Family, we understand that this is an extremely worrying time, as many will be pushed beyond their limits, and we cannot thank the people of Tattenhall enough for supporting vulnerable families in times of much need.***"

Happy New Year

TOF's ended 2022 with a lovely Christmas Lunch provided by Harvey's and great entertainment from Nathan Turner with members singing along and dancing to the songs. Thank you to those who organised the event

The Meeting on 5th January was "initially" a quiz and then discussion about places to visit on the coming years coach trips.

We are a fun group who have speakers, entertainers quizzes, bingo, a Summer and Christmas Party at our meeting throughout the year and always end our afternoons with tea, biscuits and a raffle

We also run several coach trips and have been to places as diverse as Trafford Centre, Blists Hill Museum and boating on Lake Windermere to the ever popular visit to Llandudno

The next Meeting of TOF's will take place on Thursday 2nd February and subsequently on the first Thursday of every month, from 2 to 4.00 pm in the Main Hall of the Barbour Institute.

It's a New Year, time for a new challenge, so why not come along and be a TOF

Last Will and Testament

Have you written yours?

Have you considered writing one but haven't got round to it yet?

Have you considered leaving something to St Alban's Church?

ST ALBAN'S CHURCH welcomes all gifts left in Wills – large or small. Our policy is to use the gift wisely and it would almost certainly go towards maintaining the fabric of the church building thus ensuring it will remain in a stable and safe condition for generations to come.

YOUR WILL is of course a very private matter and you do not need to disclose anything about what you leave or to whom. There are plenty of Solicitors who can guide and help you write it.

If you would like a general no obligation chat with us before deciding or would like information about what will happen to your gift should you leave one, please contact the Rector (Lameck Mutute 770345) or the Treasurer (Jane Richards 770482).

JANE'S JOTTINGS

JANILOCKS AND THE TWO BEARS

I actually won the Teddy Bear in the Post Office Christmas raffle! In order to win it one had to choose the correct name. Well anyone who knows anything about Teddy Bears obviously knows it would be called Freya. Just think how many Teddy Bears **YOU** know have that name! I realise that Teddy Bears are mostly referred to as "he" but didn't realise Freya was a boy's name! I don't usually get lucky with such things so it was rather nice to win - but what am I going to do with it? I must say he does have a cute face but I can't get sentimental about such things at my age! I am trying to declutter!!

Freya reminded me of another bear I had the pleasure of winning. It was years ago and my memory hazy but I am pretty sure it was Queen Elizabeth II Silver Jubilee. Having moved to a small village in Lancashire three days after we got married, I was very quickly tracked down and asked to take on the village Brownie Pack; the Guiding fraternity doesn't waste any time - it can sense a Guider a mile off! The Country celebrated the Jubilee in great style and our village organised a fantastic Village Fayre. At this Jubilee Fayre the Brownies and Guides had a Tombola Stall. I can't remember whether the prizes were all teddy bears or other things too but no matter. The star prize was the hugest Teddy Bear ever seen! Entering into the spirit of the event I had first dip and guess what? I drew the ticket for the star prize first go!!! Doing the done thing I put the ticket back. The next to go was the Guide Guider and you will never guess what happened.....She drew the star prize ticket!!

Reader – I have a confession to make! The three Guiders manning the Stall – those pillars of the community - all three of us – kept quiet - and the bear sat in all its splendour for the rest of the afternoon! What happened to Big Bear? I seem to recall I kept it and when my first nephew was born I gave it to him. My sister hadn't reckoned on a teddy bear taking up most of the room in her new extension!

FESTIVE SEASON

Rushing to meet the deadline for the last edition I forgot to send the Season's Greetings and missed an opportunity to say THANK YOU –

- ◆ For reading the Parish News
- ◆ To the Advertisers for their continued support – very much appreciated
- ◆ The Editor for the splendid job putting it all together and producing an excellent magazine and always letting me have extra time
- ◆ The Volunteers (both new and the more experienced) – the team which makes St Alban's what it is
- ◆ For the incredible amount of work a very special volunteer did, and continues to do, on the Church website.

NEW YEAR – NEW IDEAS

Positive was my word for last year. This year it is "TRY". I woke up on January 1st with lots of determination about me and my well being, what I was going to do and what a difference there would be. My enthusiasm was ruined rather by my assault on the Quality Street as I turned on the TV at 9 am in the morning. I must **TRY** harder!!

Wishing you a Happy, Healthy and Peaceful 2023.

THREE CHURCHES TOGETHER

ST. ALBAN'S, TATTENHALL

On behalf of the Churchwardens and members of P.C.C., I would like to thank our flower ladies, bell ringers, our organists and all who took part in our 2022 Christmas Services. The Carol Service brought the entire community together as the Tattenhall Singers together with the church choir came together and sang melodiously on the day. After about two years without being able to meet and sing together due to the pandemic, this is what the majority of us wanted to hear. The singing on the day will live in our memories for a very long time.

Once again, many thanks to the choir leader and all the organisers who made it possible and brought back the limelight of our community. *'St Alban's engaging with the Community'*

The Park School Christmas Nativity Service

The church would like to thank the Park School for exhibiting their Nativity Play in church. This is an immense contribution to the life of St Alban's Church. The Christingle Service was a delight to see the young children enjoy and sing despite the chilling weather. The church was full and all those who came enjoyed every minute of their stay. We are also very pleased that they will be coming back for some Assemblies in church and the Easter celebration this year.

Many thanks to the Head and Staff of Park School for all their effort in building strong ties with church, community and our school. God bless you all and Happy New Year.

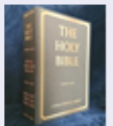

Carol Singing In' The Letters'

It was an evening of joy, fun and laughter as the community came along to sing the carols in the Letters pub on the 22nd December. We give thanks to the Letters for giving us an opportunity to bring the community together through singing.

Lent Course 2023 Stations of the Cross

Dates 22nd February 23 – 29th March 2023
Venue- St Alban's Community Room
Time 6pm-7 pm

The 'Stations of the Cross', also known as 'The Way of The Cross', is a devotion that commemorates Jesus Christ's last day on Earth as a man. The Stations of the Cross are most commonly prayed during Lent on Wednesdays and Fridays, and especially on Good Friday – the day of the year upon which the events actually occurred.

The Stations of the Cross are commonly found in churches as a series of 14 small icons, or images. Taken together, the stations are used as a mini pilgrimage,

particularly during Lent, and it reflects the journey of pilgrims following Jesus' actual footsteps in the Holy Land. The Stations help us to 'spiritually connect' with the suffering and death of Jesus; after all, he went through all that pain and suffering to save *us*. During Lent, we will be looking at the Stations of the Cross and reflect on each one of them.

The 14 Stations are as follows:

1.	Jesus is condemned to death	8.	Jesus meets the women of Jerusalem
2.	Jesus accepts the cross	9.	Jesus falls the third time
3.	Jesus fall the first time	10.	Jesus is stripped of His garments
4.	Jesus meets His Mother	11.	Crucifixion: Jesus is nailed to the cross
5.	Simon of Cyrene carries the cross	12.	Jesus dies on the cross
6.	Veronica wipes the face of Jesus	13.	Jesus' body is removed from the cross
7.	Jesus falls the second time	14.	Jesus is placed in the tomb

Obituary

Wilf Sheen- 96 years

Wilf was born in Harthill in 1926 eldest son of Bill and Jesse Sheen. Following his marriage to Irene they lived, firstly, in Handley and then Milton Green where they developed a strong bond with Handley church and the parish community. A keen bell ringer, member of the choir and active contributor to all church activities Wilf became the "go to" man for all things regarding the upkeep of the church including grave digger and grounds man. A quiet, thoughtful man, Wilf could be relied upon to help where he could but he always maintained a happy family life with Irene and his two children Pauline and Michael. Wilf and Irene moved to a bungalow in Tattenhall when arthritis became an issue however this did not stop his love for gardening, fishing and crown green bowling, so in retirement he kept himself very active. When Irene passed away Wilf was heartbroken but stoically he soon regained his cheerful love for life and the people he encountered. When Wilf's health prevented him from looking after himself he agreed to move into the Grosvenor Manor care home where he soon developed a happy relationship with the staff and although he could not get out and about much he felt safe.

Wilf died peacefully on the 19th October 2022 and the funeral was held in the church that meant so much to him and Irene, they were laid to rest together in the church yard at the centre of the community they loved. The family would especially like to thank the bell ringers who not only made it possible for the bells to be rung at Dad's service but also gave him a send off he deserved. May his soul rest in peace eternally and rise in glory.

TATTENHALL and DISTRICT PARISH COUNCIL

tattenhallpc.co.uk

Parish Clerk: Ann Wright, 62 Well Street, Malpas, SY14 8QH
Telephone: 01948 861035 Email: clerk@tattenhallpc.co.uk
Chairman: Iain Keeping

At the January meeting a resident thanked the Parish Council for the "pretty and impressive" Christmas lights display.

A planning application for 27 holiday lodges and 12 accommodation pods at Tattenhall Marina was discussed. Whilst supporting the need for development of local businesses, the Parish Council had considerable concerns regarding the scale of this development in a conservation area, additional traffic, impact on wildlife and the local environment and local infrastructure. Comments would be submitted to Cheshire West and Chester Council (CW&C).

The Parish Council has a programme to replace the wooden stiles on the most popular public footpaths with metal kissing gates. Many of these stiles are broken or unusable and this replacement will also improve access to the paths. Approval from landowners is being sought. A positive meeting was recently held with CW&C who have offered to assist with installation.

The 2023-24 Budget was agreed. Funding for the work of the Parish Council comes from a Precept which is included in the Council Tax charge paid by residents. Given the current pressure on costs that residents have, the Parish Council agreed to restrict the increase in the Precept for the year 2023-24 to 2.5%. The amount paid by residents depends on the Council Tax Band of their property. Band D properties will pay £1.02 per week, up from £1.00.

The Parish Council currently has two vacancies and agreed to hold a drop-in event in the village for anyone considering joining to answer their questions.

All residents are very welcome to attend Parish Council meetings and can raise any issue in the 15 minute Public Participation section at the start of the meeting. Meetings are held on the first Monday of every other month at 7.30pm in the Barbour Institute. The next meeting is on 6th March.

Councillor Andy Scarratt

Ask the Expert is back!

Rebecca Robinson asks:

THE DIGITAL AGE: ARE YOU ASSETS PROTECTED?

Rebecca says – this is a question I am asked a lot. It is perhaps easier for me to respond by breaking the question down into “mini-questions” with corresponding answers. Hopefully this will help!

What exactly are “digital assets”?

The term is broadly defined but can be understood to refer to any information about you or created by you that exists in digital form that is stored online or on computers, smartphones, tablets and any other electronic device.

Even if you do not bank online, it is likely that you will store photographs of loved ones, personal emails and perhaps music on an electronic device. You may also have social media accounts...the list is non-exhaustive.

Whilst you may have made provision for all other assets, by drawing up a Will or preparing a Lasting Power of Attorney, such provisions may not adequately provide the necessary guidance and structure to deal with digital assets.

What could happen if I don't protect my digital assets?

Ensuring protection is key:

There have been high-profile examples of “fortunes” held digitally having been lost when the holder died. In December 2018, Gerald Cotten, CEO of Quadrigacx, Canada's largest cryptocurrency exchange, died unexpectedly.

Mr Cotten was the only person who had access to customers' digital wallets. As a result, more than \$135m in customer funds held in safe keeping was lost; forever!

What steps can I take to protect my digital assets?

You should check the terms of your Will (and any connected Letter of Wishes), Lasting Power of Attorney and any express lifetime authorisations to see if they do deal with digital assets – you may wish to seek professional guidance with this. You can also take practical steps to assist those who will have to deal with the administration of your digital assets including: making a list of the assets, such as email addresses, usernames and passwords; keep this safe – save it on to an external hard or flash drive; store a hard copy on the list with your Will and/or Lasting Power of Attorney and keep the list updated whenever usernames or passwords are changed and/or new digital assets are generated.

You can also make sure that you provide clear and comprehensive instructions about each one of your digital assets.

For professional assistance with ensuring that the correct provision is made for digital assets, please contact Rebecca Robinson at Swayne Johnson Solicitors, Mercury House, High Street, Tattenhall CH3 9PX 01829 700 333.

Loss Café at St Alban's

**Are you struggling with grief caused by
the loss of a loved one or pet?**

Have you lost your way in today's world?

**At 10:00am, on the last Friday of the month,
as part of our pastoral responsibility in the
Tattenhall community we have a 'Loss Café' in
the Community Room, which is similar to what
was known as 'Forget-Me-Not'.**

**Come along to the
Loss Café where you
can get a cup of tea
and cake in a friendly,
non-religious
environment whilst
talking, listening or
sharing your journey
with like-minded
people.**
